TWGA UPDATES

Hello everyone,

The Spring meeting is behind us. PHEW! That was a lot! Now all we need to do is concentrate on playing well for pars, occasional birdies and the unparalleled hole-in-one.

Of course, besides golf we need to think about the committee that will suggest possible Bylaw and membership class changes to the Board. Oh, wait that actually is golf!

This committee will use our current budget needs and membership rates, as well as, dues structures from other clubs similar in size and amenities to Tuscarora. If you had comments, suggestions, or ideas shared at the TWGA Spring meeting please consider joining the committee by contacting Nick Masterpole at:

Nick Masterpole at:

nick@masterpolemurphy.com

Oh, almost forgot! Dues for all women's leagues will be posted to your account in May. Look for them on your next invoice or the [member portal link!](#)

See you on the
course!

Other Updates

Tournament Fees

For many years, TWGA has charged members a nominal fee to be a part of the TWGA. Last year's fee was \$50. This fee has been used to support tournaments, and to pay for incidentals. This year the fees were dropped after survey results indicated women did not want to pay the fee upfront but would rather pay the tournament fee as a "pay as you play". So this year, tournaments will not receive any funds from TWGA but will be funded by each tournament's registrants. Our hope is that all members will still support the fun and exciting tournaments this year. More details to follow next month!

Thank you!

Calling all twilight members!

The drink cart is open every Tuesday night for the twilight players at the half way house! Join us for a beverage!

Women's clothing and apparel arriving daily in Pro Shop! Check it out!

If you need a locker, please contact Linda Kelly (315) 729-9448 to get a locker and a key! Cost for locker or replacement key is \$5

Woman of the Year 2022

Maryellen Sullivan

At the TWGA Spring Meeting the Woman of the Year Honor was presented to Maryellen Sullivan. Not only is she a great golfer, but Maryellen has been a strong advocate for women's golf at Tuscarora. She was on the TWGA board, and currently serves on the Greens Committee. As a member, she advocates for the TWGA women with our concerns about various tees and greens issues, and communicates updates on course conditions. She is also one of the District Reps for the SWDGA.

Maryellen grew up in Marcellus and after graduating from high school went on to receive her college degree at St. John Fisher College. She worked for the past 27 years as a First Grade teacher in the Syracuse City School District before moving to a position as a Math AIS Teacher this past year.

Maryellen told me that her dad brought her and her siblings to TGC as early as age 2 or 3 to play the loop, chip and putt. When she was 7 years old she participated in the Junior Program at Tuscarora and has played here ever since!

She is an amazing golfer and a role model for future woman golfers. Maryellen and her husband live in the Buxton Woods neighborhood in the Town of Onondaga along with their son Adam, who is currently a senior at Marcellus High School.

Written by Julie Files

Congratulations Maryellen!
