## TWGA Board Update

Hi Everyone,

As you may have noticed Tuscarora is busy with all types of events. Of course, we love all the different tournaments for the adults, but the future of golf are the JUNIORS!

It seems like everyone enjoys seeing the excitement and enthusiasm the young players bring to the game while learning about golf, life lessons and when to celebrate with snacks!

Let's try to have as much fun as they do! Please try to participate in the remaining tournaments. We guarantee you will have a great time with old friends, make new friends and maybe win a prize or two.

Keep golfing!!
