TWGA Board Update

Hello!

Hard to believe it's June! Glad to see everyone out there enjoying the course.

We hoped you noticed a few on course improvements. The bunkers on hole 11 and hole 18 have a new drainage system as well as new sand. The tree removal between hole 3 and hole 7 has been completed. Many thanks to Steve Kurta and his ground crew.

The three women's leagues are in full swing along with a few tournaments on the horizon. Please consider playing in a some (or all) of the events regardless of your ability. We guarantee you will have a great time!

The locker room punch list has been completed! We are delighted with the results and thank all the committee members for their hard work.

See you out there,

TWGA Board
