TWGA Board Update

Hi Everyone,

We have great news! All members are now permanently invited to attend the Annual Board Meeting every Fall. Also, on the same note we would like to extend our invitation to attend the TWGA meetings, too. We sincerely hope many take advantage of these invitations. The meetings are informative and show just how much VOLUNTEER work is done by both Boards and their various committees.

Both Boards are always looking for new members. If anyone is interested please contact the various nominating committees. Until a vacancy arises perhaps you can help with the many events, tournaments and sub-committees that take place every year.

The TWGA has a new committee chair for handicaps. Thank you Marilyn McDermott for volunteering to help educate and monitor the handicaps using the GHIN system. Everyone should always post scores to keep track of your progress and if you are counting...rounds played. Please contact Marilyn with any questions or concerns at mhalemcdermott@gmail.com.

One final note, please remember that next year is the 100 year anniversary for Tuscarora. Please share any and all memorabilia with Maryellen Sullivan. Please contact her at mesullivan76@yahoo.com.

Thank you for electing all of us again this year. We will continue to listen to your ideas and concerns as we strive to do what is best for all.

See you on the course!

Cara, Linda, Julie and Katie

Thank you one and all for a wonderful year in spite of the unbelievable staffing, product deliveries and high food and beverage costs challenges. Your patience and understanding are very much appreciated. And, to say thank you, we will be hosting an adult only closing day member complimentary appreciation luncheon. It will be held on Sunday October 23 from 1:00 to 3:00 at Tuscarora.
