TWGA Board Update

Our 2022 golf season is coming to a close. Just because our leagues are ending doesn't mean we have to stop golfing. So, get out there and remember to post your scores.

As with every year there have been many improvements on the course; bunkers and sand, tree removal, berm building, etc. The BIG project for 2022 will be the new maintenance barn scheduled for completion by Spring 2023.

I am sure Steve and his crew will enjoy the space.

We hope to see you soon!

Cara, Linda, Julie and Katie

FALL DINNER: TUESDAY, SEPTEMBER 27th @ 6PM

The Fall Dinner is quickly approaching. We promise a yummy fall menu which will include pork medallions, roasted potatoes and a fall salad.

Dessert: Apple Crisp!! \$25 ++

Also, don't miss out on the **FREE giveaways** that will be awarding to some lucky ladies!

Join us for the last Tuesday gathering!
Contact Cara 315-436-4800. Call or Text!
By Friday, the 23rd of September!

The 100 year anniversary of Tuscarora is August 2023.

That's less than one year away!!!
Please contact Chris Bednarski
cbednarski@twcny.rr.com or
Maryellen Sullivan mesullivan76@yahoo.com
to help on the committee or with anything you feel should be included in the celebration...pictures, old programs, trophies, memorabilia, etc...

Tournament Updates

The sWag Day was well attended with over 80 participants! The weather was great and everyone enjoyed a Thursday afternoon of golf followed by a delicious BBQ that included pulled pork, bbq chicken and many delectable sides! Peter and staff delivered Peach Swag specials throughout the day to add to the fun! Thank you!

Many thanks to all the folks who donated sWag Gift Bags that were raffled off at the event!!

Thank you to Linda Kelly, Renee Mahle, Cara Cahill, Jeanine Kavney and Marcia Cappuccilli for their efforts in running the tournament!

Steve Kurta

Steve Kurta has been the Tuscarora Golf Course Superintendent since 1999. Throughout his tenure, the course has been impeccably maintained and continues to be the envy of surrounding clubs. It is because of his leadership, knowledge and the hard work of Steve and his crew that we enjoy our beautiful surroundings.

Prior to coming to Tuscarora, Steve worked at various courses, including Black Wolf Run in Wisconsin, where he had the honor of meeting Dotty Pepper and Nancy Lopez, as well some of the up and coming new players!

However, it was at an earlier apprenticeship in Rochester, New York, that Steve and his wife, Janet, fell in love with the Finger Lakes area. Years later, when the position at Tuscarora opened up, Steve applied and the rest is history!

You can find Steve on the course with his pup, DeeDee, mostly any day of the week working with his crew and keeping the course in great shape.

The new maintenance building is the most current project which began formulating at a Board Meeting in 2020. The project is well underway and there will be more details revealed at the Annual meeting this Fall!. Stay tuned!

When Steve is not at Tuscarora, he enjoys living on Otisco Lake with Janet and DeeDee. His son, Peter, 27, is currently living in Philadelphia pursuing a career in pharmacology. Prior to this, Peter was a professional ballet dancer with the Smuin Ballet in San Francisco!

We wish to thank you Steve for all the hard work! The Tuscarora members look forward to your continued leadership at the course.

For more information on course conditions and updates, visit: [Steve's blog post](#) or:

Thank you!

This has been a tough year for me and my family. I want to thank everyone for being so understanding and flexible when I needed to cancel golf at the last minute and most likely forgot to tell you.

You have all showed us how much you cared with kind words, heartfelt hugs, special cards, food, flowers, donations and what I love the most, all the shared memories.

Most everyone here knows her only as a golfer or pitch player. She was so much more. I would always describe her as the original Martha Stewart on steroids!

We were lucky to have so many memories...

Thank you,
Cara, Tim and family
