TWGA Board Update

Hi Everyone:

Another successful summer golf season in the books! Thank you again to everyone who volunteered their time to chair a league, run a tournament, plan an event, etc. We appreciate your efforts.

The TWGA Fall meeting was the best attended (97) in a long time. Combining with the final day of Twilight was a huge success. A recap of the meeting was sent a few weeks ago. [Click here](#) to review the formal minutes or go to the TWGA page on the Tuscarora website.

As we mentioned at the meeting, this will be our last year as board members. We will be stepping down and giving others a chance to be your leaders. Four years went by quickly and we loved ALMOST every minute of it! Susan Caryl, Marybeth Mumford and Kirsten Marshall will be shadowing us over the next few months. We are thrilled they want to be part of the board and look forward to their election next fall.

And finally, so glad we had more than 10 Non-Resident members at the annual meeting. Ok, it wasn't much more than 10 due to Covid and commitments, but as always, nice to see the interest and concern for all things at Tuscarora. Looks like we will be invited back next year and some of you may even consider changing your designation to resident member and vote!

Enjoy the beautiful Fall golf season!

Cara, Linda, Julie and Katie

September 30th is the date for this year's Fall Scramble. The Fall Scramble is a fun event that is played as captain and crew format with three person teams. Two teams play together in a group, so everyone goes out in 6-somes. We encourage any ladies who'd like to play to sign up. As of now, we have two teams of ladies signed up. The more that sign up, the bigger the women's division would become. This would make for some fun competition and some good payouts to load up on some cold weather Tuscarora gear. If you'd like more information, or would like to sign up a team, please reach out to the Pro Shop anytime.
