Twilight League Tuesday – Joan Hopkins and Anne Marie Donohue

Last year there were 84 participants. This year we have 90! The same format will be played which is 2 person best ball. Any questions regarding scoring please see Jason or John in the Pro Shop. Pace of play is important. Please be aware of people waiting behind you or open holes in front of you Pick up if you have reached your maximum strokes. No shows for league play will receive 0 points that week. Their opponents will receive 4.5 points plus points for any holes won. A sheet was passed around to be filled out with earliest tee times for Tuesday evenings. Please sign up one week prior to your match. Tee times are scheduled in the Pro Shop. You may stop in or call no earlier than 2:30 pm. The first week (5/2/23) will be a fun night. Pick someone to play with or the Pro Shop will let you know of any twosomes looking to play. Call or stop by on April 25 to set this up. Subs can play too!

18 Hole League – Jan Anthony and Cara Cahill

24 people have signed up to participate in this league but members are able to play any week by letting Jan or Cara know by Sunday evening of that week. Different games are played each week. Cost is \$2.

Treasurer's Report – Katie Wells

Report is attached. Some tournaments went over their monies last year due to added tipping. Katie will be happy to assist anyone running a tournament this year to help figure this out.

We should have a surplus of \$1,000 this year. We will decide at a later date what to do with this money.

Pro Shop – Jason Wall and John Sully

They plan on possibly holding more clinics like the ones held today in June and July. Please ask them for any help regarding scoring, rules or anything else. The shop rotates stock as much as possible. This year they will still have in stock Vineyard Vines and are adding LuLulemon. Online shopping will be available this year!

Jason encouraged all to use the GHIN app either by total score or hole by hole. Handicaps are VERY important. Please input your scores every week or ask them and they will do it for you. They should be input within 24 hours of play.

On the subject of GHIN, Marilyn McDermott has volunteered to be our Handicap Chair. She will help anyone with their score or how to establish a handicap along with spot checking that all players are inputting their scores.

Tuscarora Centennial Celebration

Linda Kelly spoke about the upcoming 100th anniversary party which is taking place on Friday, July 29th and Saturday, July 30th. Friday's events TBD. There will be a golf event during the day on Saturday with 5 different divisions playing.
