TWGA Board Update

Hi Everyone:

We are about halfway through our tournament schedule for the 2022 season. Please don't forget to register for the last few. The dates and times are listed inside this newsletter.

You've probably noticed the large berm partially bordering hole 7 and 16. It's been constructed to make room for a new maintenance barn. Construction of this will began soon and scheduled to be completed by Spring 2023.

Speaking of 2023, Tuscarora will be celebrating it's 100 year anniversary. Anyone who would like to be part of the committee for next year's event. Please contact Chris Bednarski.

One last item, we have all decided to serve on the TWGA Board for another year, but please remember if you would like to run for election all are welcome.

We hope to see you on the course!

Cara, Linda, Julie and Katie

REMINDERS:

Pro shop does not record your scores for league. If you haven't been posting them, please do.

Pro Shop Updates

Ladies Summer Series was well received by all the women!

The Pro Shop offered three different clinics this summer including: chipping, full swing and on-course etiquette.

Response to these clinics was unanimously great!

Many women commented on improvements in their chipping after taking the clinic! You will definitely see this offered again next season. Thank you Jason and staff!

If you have Pro Shop Credit, now is the time to use it. Special orders to use pro shop credit are taking a very long time. If you are looking to order a special club or piece of apparel you may want to order it sooner rather than later.
